The Story Inside Body Therapeutics

Body Therapeutics birthed at a time when my own healing occurred. It started the desire to help others attain their health, strengthen their will and to

show others the option of choosing to live a joyful, healthy and abundant life.

What services are offered? Intuitive Readings,

Massage, Reiki, Spectrum Healing, CranioSacral work, Acupressure, Auriculotherapy,

Use of Egyptian oils and stones as well as essential oils with most treatments.

Order your personalized "scent" now !!!!!

Anything which you give control over to is making you vulnerable to invasion - Carol

How would you feel if you could have a scent all your own and have it pure, non-chemically based? Well, it's here. Just order, give as a gift or use for

someone's birthday. Benefit? No one else will have the same scent. Other products?
